
‘PROPOSALS OF THE BOARD OF DIRECTORS OF ETTEPLAN OYJ (“COMPANY”) FOR THE ANNUAL GENERAL MEETING OF THE SHAREHOLDERS

1. The Board proposes to the Annual General Meeting that a dividend of EUR 0.34 per share would be paid for the financial year 2020. The record date of the payment of dividend would be April 12, 2021. The dividend is proposed to be paid on April 19, 2021.
2. The Board proposes, in accordance with the Audit Committee’s recommendation, that one auditor would be elected for the Company. The Board proposes, in accordance with the Audit Committee’s recommendation, that Authorized Public Accountants KPMG Oy Ab, with Authorized Public Accountant Mr Kim Järvi as the main responsible auditor, be elected as the Company’s Auditor.

The Board further proposes, in accordance with the Audit Committee recommendation, that the fees for the auditor are paid according to invoice approved by the Company.

3. The Board proposes that the Annual General Meeting authorize the Board of Directors to resolve on the repurchase of the Company’s own shares in one or more tranches using the Company’s unrestricted equity. A maximum of 2,000,000 shares in the Company may be repurchased. The Company may deviate from the obligation to repurchase shares in proportion to the shareholders’ current holdings, i.e., the Board has the right to decide on a directed repurchase of the Company’s own shares.

The authorization includes the right for the Board to resolve on the repurchase of the Company’s own shares through a tender offer made to all shareholders on equal terms and conditions and at the price determined by the Board, or in public trading organized by the NASDAQ OMX Helsinki Ltd at the market price valid at any given time, so that the Company’s total holding of own shares does not exceed ten (10) per cent of all the shares in the Company. The minimum price for the shares to be repurchased is the lowest market price quoted for the shares in the Company in public trading and, correspondingly, the maximum price is the highest market price quoted for the shares in the Company in public trading during the validity of the authorization.

Should the shares in the Company be repurchased in public trading, such shares will not be purchased in proportion to the shareholders’ current holdings. In that case there must be a weighty financial reason for the Company to repurchase its own shares. The shares may be repurchased in order to be used as consideration in potential acquisitions or in other structural arrangements. The shares may as well be used for carrying out Company’s incentive schemes for its personnel. The repurchased shares may be retained by the Company, invalidated or transferred further.

The repurchase of the Company's own shares will reduce the non-restricted equity of the Company.

The authorization is valid for 18 months from the date of the resolution of the Annual General Meeting starting on April 8, 2021 and ending on October 7, 2022. The authorization will replace the corresponding previous authorization.

4. The Board proposes that the Annual General Meeting authorize the Board of Directors to resolve on the issuance of a maximum of 2,500,000 shares through issuance of shares, option rights or other special rights entitling to shares under Chapter 10, Section 1 of the Finnish Companies Act in one or more issues. The authorization includes a right to issue new shares or assign Company's own shares held by the Company.

The authorization includes a right to deviate from the existing shareholders' pre-emptive subscription right as set forth in Chapter 9, Section 3 of the Finnish Companies Act. Therefore, the Board of Directors has a right to direct the share issue, or issuance of the option rights or other special rights entitling to shares. The authorization includes also a right to determine on all the terms of share issue, option rights or other special rights entitling to shares. The authorization includes therefore a right to determine on share subscription prices, persons entitled to subscribe the shares and other terms and conditions applicable to the subscription. In order to deviate from the shareholders' pre-emptive subscription right, the Company must have a substantial financial reason such as financing of a company acquisition, other arrangement in connection with the development of the Company's business or equity or an incentive scheme to the personnel. In connection of the share issuance the Board of Directors is entitled to decide that the shares may be subscribed against contribution in kind or otherwise under special terms and conditions. The authorization includes a right to determine whether the subscription price will be entered into the share capital or into the reserve of invested non-restricted equity.

The authorization is valid for two (2) years from the date of the resolution of the Annual General Meeting starting on April 8, 2021 and ending on April 7, 2023.

The shareholder representing approximately 66 percent of the Company's shares and voting rights has announced to support all proposals to the Annual General Meeting.
